Date: July 16, 1996

To: Ecosystem Restoration Work Group

From: Mary Selkirk, Chair

Subject: Ecosystem Restoration Work Group Meeting Information

At the next BDAC Ecosystem Restoration Work Group meeting we will continue our discussions on restoration strategy, targets and goals, and adaptive management.

For the meeting on July 24, 1996, we have enclosed another draft of the Ecosystem Restoration Strategy Paper, a discussion of the process being developed by CALFED staff to develop targets, and a discussion paper on adaptive management.

As always, I appreciate you taking time to discuss these issues in the work group forum. An agenda for the meeting is enclosed.

I look forward to working with you on the 24th.
